Trunk or Treat

Heather Maple/ Alicia Pigon

- It was a great turnout! There were many great decorated trunks. We ran out of candy, so the Feed the Monster was a big help in replenishing candy. The winner was the Minecraft Trunk. It was amazing! Other schools even came to the event.

Andover Elementary PTA Agenda

- Concerns and suggestions: Need to focus on parking, give assigned areas, number the trunks for voting, Need to address that dogs are not allowed on school campuses. Maybe have other things available like games and such other than just regetting candy. Discussed encouraging trunks to have an activity or game, something interactive. Also talked about having a costume contest: individual and family costumes.
- Discussed a possible different day and time. Discussed doing it for 3 hours versus 2 hours.

Open Forum

- Spirit Rock: Can the front rock be used as friendly reminders for parents? PTA wants to purchase another rock for the PE area. Until then, we still need the rock for fundraising.

Adjournment

- Adjournment at 6:21pm
